RESOLUTION NO. 2010-06

ESTABLISHING CERTAIN EXEMPTIONS TO ADOPTED EMERGENCY SNOW ROUTE PROVISIONS

WHEREAS, the Board of Trustees of the Town of Silverton, through its adoption of Resolution 2008-19, implemented uniform snow route procedures throughout all Town streets and alleys; and

WHEREAS, Town staff has received feedback from various members of the community on the efficacy of these procedures over the course of two seasons and has considered all such input collectively with the intent to modify the existing provisions to the benefit of the public safety and welfare; and

WHEREAS, after weighing various public input, it has become apparent that certain areas lend themselves to exception to the current uniform snow route scheme;

NOW, THEREFORE BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE TOWN OF SILVERTON THAT:

- 1) Section 3 of Resolution 2008-19 - adopted by the Town of Silverton Board of Trustees on October 13, 2008 - shall be amended to read as follows:

 - b. On odd days of the month, vehicles shall be parked on the odd addressed side of the street by 12:01 am
 - c. All vehicles must then be moved to the opposite side of the street as soon as possible after the snow has been fully cleared.

Vehicles shall remain parked on the west side of River street during a snow alert regardless of whether it's an odd or even day and shall be moved to the east side of the street after the snow has been removed from the east side.

Vehicles shall be permitted to park on either side of this block of 12th Street during a snow alert. By 9:00 am on snow alert days, all vehicles parked on this block should be moved to Greene Street or may be subject to violation.

2) Section 4 of Resolution 2008-19 shall be revised to read as follows:
